PEPTO-MANGAN WILL HELP FIGHT COLDS

Make Up Your Mind to Keep Free
From Colds Get Your Blood
in Good Condition

START TAKING PEPTO-MANGAN

Now Is the Time to Build Up. You
Will Be Strong This Winter

Every house has a supply of fuel for winter. People know cold weather is coming. They get ready for it.

How many people get their own bodies ready for winter? Most of us go around all summer in the intense heat burning up energy, working hard all day and sometimes lying awake nights sleepless in the heat.

Winter comes along. It catches many people totally unprepared physically. Few of us take stock of our health. Whether we be well, healthy and strong, we often leave too much to chance.

But not everybody. Nowadays people are learning. They know this matter of enjoying good health is a thing they can help control. If you live right, eat right, get plenty of sleep, breathe fresh air and keep your blood in good condition, you will feel all right.

It is so simple. If you feel a little off in health—perhaps worn out and pale—don't take chances. There's no need of it. Buy some Pepto-Mangan of your druggist. Begin taking it today. You can get it in liquid or tablet form. Tell your druggist which you prefer. But to be certain that you get the genuine Pepto-Mangan, ask for it by the full name—"Gude's Pepto-Mangan." Look for the name Gude's on the package. Adv.
